

The Best Destinations in Thailand for Couples

Every couple needs a nice, long, romantic vacation sometime. With so many beautiful and romantic places in the world to visit, narrowing it down to a single country can be difficult. That said, Thailand is one of the best places in the world for couples to visit.

Thailand is a destination that conjures up images of tropical beaches and exotic food. But there's a lot more to this country than beaches and food. Thailand offers a wide range of activities for couples to enjoy together, which makes it the perfect destination for a romantic vacation. You can get away from the crowds on a secluded beach, or explore the wonders of nature in the mountains and national parks.

In honor of National Couples Appreciation Month, we give you this list of the best destinations in Thailand for couples.

Similan Island

When it comes to finding the perfect destination for a romantic getaway, most couples would likely think of far-off places like Paris or Rome. That said, no one can beat the beauty and excitement of Similan Island, Thailand.

Thailand is adored by people around the world as one of the most affordable vacation destinations in the world. Similan Island is a tropical paradise, with pristine beaches and vibrant culture.

Things to do:

When on Similan Island with your partner, you simply must try the local scuba diving activities. There are also plenty of boat tours in the area. Imagine sitting on a boat with your beloved as you cruise through the waters around one of the most beautiful islands in Thailand. Whether you're looking for the perfect honeymoon in Thailand or the perfect vacation in Thailand, you can find them both on Similan Island.

Koh Kood
